

The Weekly Update is the primary means of communicating general announcements and events to students by the SCI Student Services group. The Weekly Update will be sent to all students each week from the beginning of the Fall semester until commencement in May.

## > Announcements

[Need some extra space to study?](#)

There are study spaces available to students across Pitt's campus. Please check [here](#) for various options.

[Developer Needed | Ripple](#) is a social media app with a unique way of spreading content through users.

Ripple is looking for a student internship for this position. If you are interested in learning more, please contact [Jill Stalnaker](#).

## > Events

[Mar 8th, 9th, & 15th | National Security Agency \(NSA\) virtual information sessions about internships and full-time employment opportunities](#)

[Wednesday, March 8, 2023 | 4 to 5 p.m. EST | Register here](#)

[Thursday, March 9, 2023 | 4 to 5 p.m. EST | Register here](#)

[Wednesday, March 15, 2023 | 4 to 5 p.m. EST | Register here](#)

[The NSA Cooperative Education Program Internship is opened until March 31, 2023. Apply here. You can also explore all levels of NSA job opportunities here. Take a quick Job Exploration questionnaire to learn about career options that meet your education, experience, and Interests.](#)

[March 14 | Digital Narrative & Interactive Design Networking Event](#)

Offered from 5:00 p.m. - 6:00 p.m. in 501 Cathedral of Learning, this is a chance for DNID students to network with Pitt alumni now working in digital storytelling: [Andy Wright](#) (VP Software Development & Architecture at Robots and Pencils) and [Joe Zeff](#) (President of Joe Zeff Design, Inc.). Andy and Joe will

discuss their professional trajectories and you will have a chance to talk about building your design networks with folks invested in your success. There will also be food provided!

### March 15 | Equal Pay Day/Salary Negotiation Workshop for Tech Students

This virtual workshop, offered from 1:00 - 1:50 p.m., offers students the chance to learn the finer points of salary negotiation, how to evaluate and translate your value to an employer, as well as how to manage multiple job offers. If interested, [please register here](#).

### March 31 | AWS Pittsburgh Cloud Computing Student Gathering - 10:00 a.m. - 12:00 p.m

Amazon Web Services (AWS) Academic Advocacy will be in town in the William Pitt Union Lower Lounge and eager to meet with students in the Greater Pittsburgh Area!

This event will gather cloud-interested students and introduce AWS's new programs for university students. During this session, we will learn about cloud computing through a hands-on activity and discuss career pathways with a panel of AWS employees. Students of all years and disciplines are welcomed. Come to learn, connect, and network with professionals and students. Learn more about AWS Academic Advocacy at the [AWS Cloud Club page](#).

Space is limited, so please [register through Amazon](#) as soon as possible if interested!

### Mar 31st and April 1st | OurCS: Diversity in Tech Virtual Conference

In an effort to improve diversity in computing research, Carnegie Mellon University School of Computer Science, is announcing this virtual conference that will allow selected participants to explore the possibility of a research-focused career path. [Apply today](#).

### April 10th | The basics of CF650, including how signaling and driverless train systems work, our global geography, and roadmap--12-12:50 p.m.

The Swanson School of Engineering (SSoE) and [Alstom](#) are partnering to present a virtual ECE seminar via [Zoom](#). The meeting ID is 966 4875 9595 and the passcode is ECE1885. Contact [Dana C. Romano](#) with any questions.

### April 29th | SCI Graduate Recognition Ceremony

The Spring 2023 SCI Undergraduate Recognition Ceremony will be held on-campus from 5:30 p.m. - 8:00 p.m. in Alumni Hall. This will include a formal School-wide ceremony as well as a reception/social hour with light refreshments. All undergrads who are graduating this Spring 2023 term and have [applied to graduate](#) will be emailed an RSVP invitation and more details within the next week or two. Additionally, Student Services will be reaching out to those who may graduate this summer with an invitation for them to attend the Spring Ceremony as well.

For a full list of upcoming SCI events, visit the [SCI calendar](#).

## > Deadlines

Don't forget to apply to graduate!

If you are graduating this term, you MUST apply to graduate, [which you can do here](#). Please note that [applying has deadlines](#) - if you apply late you will be charged a late fee. If you apply too late, you will need to wait to apply to a future term and will not receive your diploma until after the end of that term!

For a full list of upcoming deadlines, visit the [University's Academic Calendar](#).
